

**Notification Form for Personal Data Processing for the Two-Way Communication**

Frasers Property Industrial REIT Management (Thailand) Company Limited (the "Company" or "REIT Manager"), the REIT Manager of Frasers Property Thailand Industrial Freehold & Leasehold REIT (the "REIT" or "FTREIT"), value the importance of personal data protection and therefore, establish and notify you the notice regarding personal data processing for FTREIT's Two-way Communication to describe the purposes and practice on how we treat your personal data pursuant to the Personal Data Protection Act B.E. 2562 (2019) (Personal Data Protection Act or PDPA) as follows:

**Personal Data to be collected, used, disclosed and/or stored**

The Company will collect, use, disclose and/or store ("Process") your general personal data, including your proxy holder's (if any), namely name-surname, date of birth, identification number/passport number, trust unitholder ID, address, telephone number, email (if any), photo including video recording on the Two-Way Communication through electronic media.

**Remark :** *Any identification documents submitted to the Company, such as copy of ID card or other official documents may contain sensitive personal data e.g., race, blood type, religion which are not required for the purpose of attending the Two-way Communication. You may leave blank those data prior to submitting those documents to the Company. In case you did not leave blank, the Company reserves the right to leave blank those sensitive personal data received and shall not be considered as collecting your sensitive personal data.*

**Sources of Personal Data**

The Company may collect your personal data from the following sources:

1. Personal data directly collected from you through the submission of additional questions or inquiries related to the 2026 Two-way Communication of FTREIT.
2. Personal data directly collected from you as appeared in the registration documents to attend the 2026 Two-way Communication of FTREIT and/or proxy (if any)
3. Personal data collected from you which appeared in the FTREIT's trust unitholder list as of the Record Date of the 2026 Two-way Communication of FTREIT which the Company received from Thailand Securities Depository Company Limited (TSD) as the trust unit registrar.
4. Personal data collected in the form of photo and video which are recorded throughout the 2026 Two-Way Communication of FTREIT through electronic media.

## **Purpose and Necessity of Personal Data Processing**

The Company is required to collect your personal data for the following purposes:

1. Consideration of the Trust Unitholders' right to submit additional questions or inquiries related to the 2026 Two-way Communication of FTREIT.
2. Identification of the Trust Unitholder's right to attend the 2026 Two-way Communication of FTREIT, and registration to attend the Two-way Communication.
3. Preparation of concerned system, including recording of photo, video and audio during the Two-Way Communication.
4. Record your name-surname in the summary of significant matters in the form of questions and answers from the 2026 Two-way Communication (in case you express suggestion and/or raise questions during the Two-way Communication). In addition, the summary of significant matters will be disclosed through FTREIT's website as well as submitted to the Stock Exchange of Thailand (SET) and relevant regulatory agencies as legally required.

## **Period of Personal Data Retention**

The Company will retain your personal data for the entire period necessary to be used for purposes as specified in this document and as legally required in order to comply with the objective of the 2026 Two-way Communication of FTREIT through electronic media. The Company may also retain your personal data for reference and inspection in case of necessity for 10 years from the date of receipt of your personal data except as otherwise allowed by law.

## **Data Subject Rights**

The data subjects are entitled to withdraw consent given for personal data processing, however; the withdrawal of consent shall not affect the collection, use, or disclosure of personal data to which the data subject has already given consent. In addition, the data subjects are also entitled to request for accessing and obtaining a copy of their personal data including request for correction of their personal data, request for deletion or anonymization of their personal data, request for cessation of the use of personal data, request for personal data relocation and sending or transfer of any personal data to other data controller, including the right to object to data processing of their personal data and the right to lodge complaint against the Company's act to the Personal Data Protection Committee.

If you desire to exercise such rights, you may submit your written request through the following channels.
